

# MICHAEL O'CONNOR

VICE PRESIDENT OF BUSINESS DEVELOPMENT  
AND SENIOR LEADERSHIP CONSULTANT

**FULL CIRCLE GROUP &  
THE LEADERSHIP CIRCLE**

Mike O'Connor is in the business of change. He brings over 25 years of experience in supporting client organizations and has been a trusted advisor to dynamic leaders who are committed to making a difference. Mike activates leaders to create effective, impactful and powerful business and leadership results. He is committed to and passionate about helping people realize and maximize their full potential. Throughout his career, Mike has held numerous roles, including: Training and Development Manager, Executive Coach, Instructional Designer, Team Facilitator, and Consultant and Business Development Manager. Prior to joining The Leadership Circle, Mike served as Director of Organizational Development and Succession Planning at King Edward Hospital in Bermuda. He also has over 20 years' experience as a Senior Consultant for Development Dimensions International (DDI).

## Experience:

- Executive Coaching (20 years) – 300+ leaders, mid to executive, across all industries.
- Managed Executive Development and Succession Management at Bermuda Hospitals Board (BHB).
- Full Circle Group: Have worked with mid to senior leaders as executive coach and developer for companies to include Leadership Circle Certification: Involved in the certification of over 1000 LCP certified coaches and has provided coaching to over 500 coaches.

As a leader of teams for the last 20 years, Mike is familiar with the challenges leaders of today face, and the critical role they play in team and organizational performance. During his career, he has supported organizations across North America and the Caribbean in a variety of industries, including: Healthcare, Manufacturing, Hospitality, Non-profit, Aerospace, Energy, Financial Services and Government. Clients include Dolby, Kaiser Permanente, McDonalds, United Airlines, Federal Reserve Board, Kansas University Medical Center, Leo Burnett, George Mason University and State of Oregon.

Mike has an undergraduate degree in Industrial Psychology (University of North Carolina at Charlotte) and a Master's Degree in Training and Development (College of New Jersey). Originally from Albuquerque, Mike and his family now reside in Charlotte, North Carolina. Mike is active in his community, enjoys cycling, cooking, travel and spending time with his wife Linda and their three adult children.
